

## Body Shaping

### Monoï Maitai

Enjoy gentle but deep sensations with the feel and scent of our authentic monoï oils. Body and mind will soon be completely relaxed.

### Monoï Rima Avae

A treatment to stimulate your nerve endings, relax you and sweep away your stress. We work the reflex zones of your hands and feet, starting with a ritual footbath (50 minute session only).

### Monoï Rai fenua

Your feet stay on the ground but your head will be in the stars...that's the idea behind this massage of your scalp and the soles of your feet. The long version of this treatment starts with a ritual footbath.

### Monoï Maha Rima

A feast for the senses without compare... two attendants will work in synchronization on your body as it rediscovers its harmony and balance.

### Monoï Vanira

On the vanilla island of Taha'a we felt bound to create a body-shaping treatment -using vanilla oil.

### Monoï Pape Miti

Just the lagoon, the sky and you...moments when you can be at one with the elements and time for a body-shaping session on the lagoon.

## Body Care

### Mahana Manea

Here's how to get yourself a truly Tahitian tan. Let us prepare your skin with scrub made from coconut and reamonoï oil.

### Vea Manea

Our special after-sun care using tamanu and sandalwood products : it's enjoyable, calming and very effective.

### Iri Manea

A massage and scrub will cleanse your skin and help it benefit to the full from the nourishing and softening effects of a fruit and tiare flower treatment.

### Tino Manea

Choose from our range of scrubs for your complete body shaping session in which we use one of our very authentic scented monoï oils.

### Vanira Manea

A vanilla bath! Or so it seems after you have been rinsed, scrubbed and massaged using our vanilla products. You'll be carried away by some delightful sensations.

### Poe Manea

The top treatment at the Taha'a Manea Spa : it's a half-day affair combining all our best-kept secrets. Your choice of natural scrubs to cleanse you. A wrap composed of moisturizing fruits and mineral-rich seaweed follows. Then a complete body-shaping session to chase away all your tensions before a pause in the lagoon-side jacuzzi. A facial will set the final seal on a memorable half-day.

### Here nuï Manea

A special honeymoon idea based on umuheï, the love potion from the Marquesas Islands. You'll fall under the spell of delicate perfumes as your hair, face and whole body are treated and your sensuality comes alive.

## Face Care

For women

### Hohoa Maitai

We use local freshly made up products to clean and nourish your face – and relax you gently.

### Hohoa Patitifa

A highly perfumed face pack using the freshest of fruits, seaweed, tiare flowers and coconuts.

### Hohoa Vanira

Our highly scented vanilla is cleansing, gentle and relaxing and we use it in all its forms for this facial

For men

### Hohoa tane

A sandalwood-based facial to clean and restore your skin. We combine it with a neck, scalp and face massage for a feeling of wellbeing and total relaxation.

## Special Care for Men

### Tino Tane

A sandalwood scrub will cleanse your skin and leave it smooth. Then a head-to-toe massage is our idea of leaving you in perfect peace.

### Tane Vanira

Here we make use of the softening qualities of vanilla for a scrub and a body wrap. While the wrap works its magic, we work on your feet and hands.

## Hair Care

### Rouru Manea

A hair mask made from monoī butter and limes to regenerate your hair and leave it shining. And you'll look and feel great after this scalp treatment.

### Roura Vanira

Your hair will emerge soft and smelling sweet after this scalp treatment using coconut butter to which we add our vanilla.
